

Tasty treat, your lips
go smack,
You've fixed yourself
a little snack.
Filling your belly is
not your goal,
Be careful how much
you pour in your ____.

Singing along to Let
It Go?
Playing around in
the snow.
Such fun it is
watching the show,
Check the screen,
both high and ____.

Brrrr, it's cold
outside.
Put on your shoes
and get them tied.
Bundle up strong
like a mother loves,
Cover your hands
with some ____.

Everyone loves to
read a great story,
Words alive in all
their glory.
Find a special little
nook,
Then open the
pages of a ____.
