

Piles and piles of dirty  
clothes around,  
So many clothes  
they're becoming a  
mound.  
No need to worry and  
be a crier,  
Sort and wash, then  
toss them in the \_\_\_\_\_.

Blankets, pillows,  
and stuffies are cozy,  
They keep you warm  
with cheeks so rosy.  
You've snuggled  
down deep in your  
bed.  
Look upon where  
you lay your \_\_\_\_\_.

A classic toy to make  
you say yay,  
Do you have to roll,  
jump or stay?  
To be the winner is  
your aim.  
Peek inside your  
favorite board \_\_\_\_\_.

Time to make  
yourself all clean,  
Smelling as fresh as  
a king or queen.  
Try singing rub-a-  
dub-dub,  
While taking a bath  
in the \_\_\_\_\_.
